

DIS ODD 2017 Clauses - GA3 SOCHUM

001

Committee: GA3-SOCHUM

Topic: "Advancing strategies to improve the process of integration of migrants and refugees in Europe and all over the world"

Main Submitter: Republic of Italy

Co-submitter: -

Signatories: Malta, Ghana, South Korea, India, USA, Bosnia & Herzegovina, Iran

The Republic of Italy encourages all delegations present today to:

1. Provide advanced strategies to improve the process of integration of migrants and refugees by:
 - a) Creating an arrangement job office in towns and cities with high immigration flows in order to:
 - i) Register migrants job skills and record them in an international database exposed on the net to public to facilitate employment of migrants
 - ii) Position the migrants with certain characteristics in the best geographical areas of the country/continent
 - iii) Make migrants totally economically independent from hosting counties by:
 - (1) Assuring that, in case migrants don't find a stable job in 3 months time, they will be encouraged to do 15/20 hours a week of volunteering
 - (2) Assuring that migrants that have a stable salary and job will receive only formative courses
 - b) Instituting a language and cultural course of about 5/10 hours per week that migrants are obliged to attend - except for medical or familiar issues - so to:
 - i) Improve chances of employment in the hosting country
 - ii) Integrate relations with the hosting population
 - c) Encourages migrants (and not refugees) to find a regular job within 2 years otherwise there will be a risk of being expelled from the country and of being repatriate
 - d) Lowering by 30% the taxation employers have to deposit for migrant worker so to:
 - i) Encourage employers to employ migrants
 - ii) Avoid risk of migrants finishing in criminal bands due to low hiring opportunities in the host country
 - e) Opening their borders so to equally distribute migrants on the entire Earth's land

Issue: Advancing strategies to improve the process of integration of migrants and refugees in Europe and all over the world

Main submitter: Ghana,

Co-submitters: South Korea, South Africa

The General Assembly,

1. Encourages to establish an International Agreement regarding the equal distribution of refugees arriving in Europe between Nations, named the "International agreement of immigration" , based on:
 - a. Implementation of a structure that ensures the full commitment of each signing Nation;
 - b. Acceptance of the following conditions:
 - i. Signing countries shouldn't have ongoing social, governmental or financial issues: interested nations with any of the above mentioned issues may be invited to sign the agreement, if their condition improves;
 - ii. Preferences from refugees to join a relative already living in the hosting nation will need to be communicated to the authorities, providing:
 - a. Name and surname of the relative,
 - b. Full address of the relative,
 - c. National identity card of the relative,
 - d. Electronic mail of the relative;
 - iii. Signing countries should place refugees in a safe, hygienic welcoming centre, provided with:
 1. Humanitarian aids such as, but not limited to:
 - a. Healthcare,
 - b. Food supplies,
 - c. Drinkable water,
 - d. Shelter;
 2. Possibility of external contacts;
 3. Security;
 - iv. Signing countries should organize funds and resources cooperating with companies, sponsors and organizations in order to support:
 1. Logistics;
 2. Humanitarian aid such as:
 - a. Healthcare,
 - b. Food,
 - c. Drinkable water,
 - d. Shelter;
 3. Maintenance of refugees centers:
 4. Communications;

- v. Signing countries should accept the local repartition of refugees, that will be decided by the UN based upon the country's economic situation;
- vi. Signing countries should organize funds to ensure migrants the possibility to have an Identity Card, after approximately one month after the refugee is placed in a welcoming center.
